Good Results!"*

Letter of Recommendation for Diatom Enterprises

Diatom Enterprises has been a development partner of RealtyTrac since 2006. I joined RealtyTrac in 2012 and I have seen nothing but good results from the team in Latvia. Since I became the CTO, I have increased the number of developers and also started on mobile development. All of the Results we have received from them have been top notch.

I will definitely recommend Diatom Enterprises to anyone who has software development needs. Their staff has been in par, if not better, than the onshore developers that we have had at RealtyTrac.

I would be more than happy to answer any questions you might have.

Sincerely.

Prashant Upadhyay
CTO, RealtyTrac
